

Expressions of Interest to run Creative and Community Wellbeing Workshops

At J Studios Glenroy

J Studios Glenroy is looking for tutors interested in running workshops in our dedicated workshop space. Our beautiful workshop space is 100 meters square, carpeted, weekend and weekday access. We have a sink in the workshop and access to a kitchen. Because this is a new site our current facilities are limited but we are keen to develop the workshop space and support artists and wellbeing practitioners to run workshops.

J Studios would provide the space for an hourly rent and assist with publicity in the community, maintain a website with a schedule of workshops and support tutors to develop their programs.

We are looking for

- Writing groups – particularly creative writing, personal narrative and history.
- Choirs and musical groups.
- Creative arts
- Wellbeing Groups -including meditation, mindfulness, tai chi etc.
- Teenage activities – sewing, jewelry, crafts, makeup, VJ/DJ-ing, drama & acting
- Holiday programs
- Preschool activities
- All abilities programs

Please submit a brief EOI including:

- Your experience and training.
- An outline of the activity and cost.
- Intended participants & class size.
- Preferred duration & number of classes.
- Time (am/pm) and day.
- Equipment, resources or facilities needed.
